

Action at Copenhagen: How can YOU get involved?

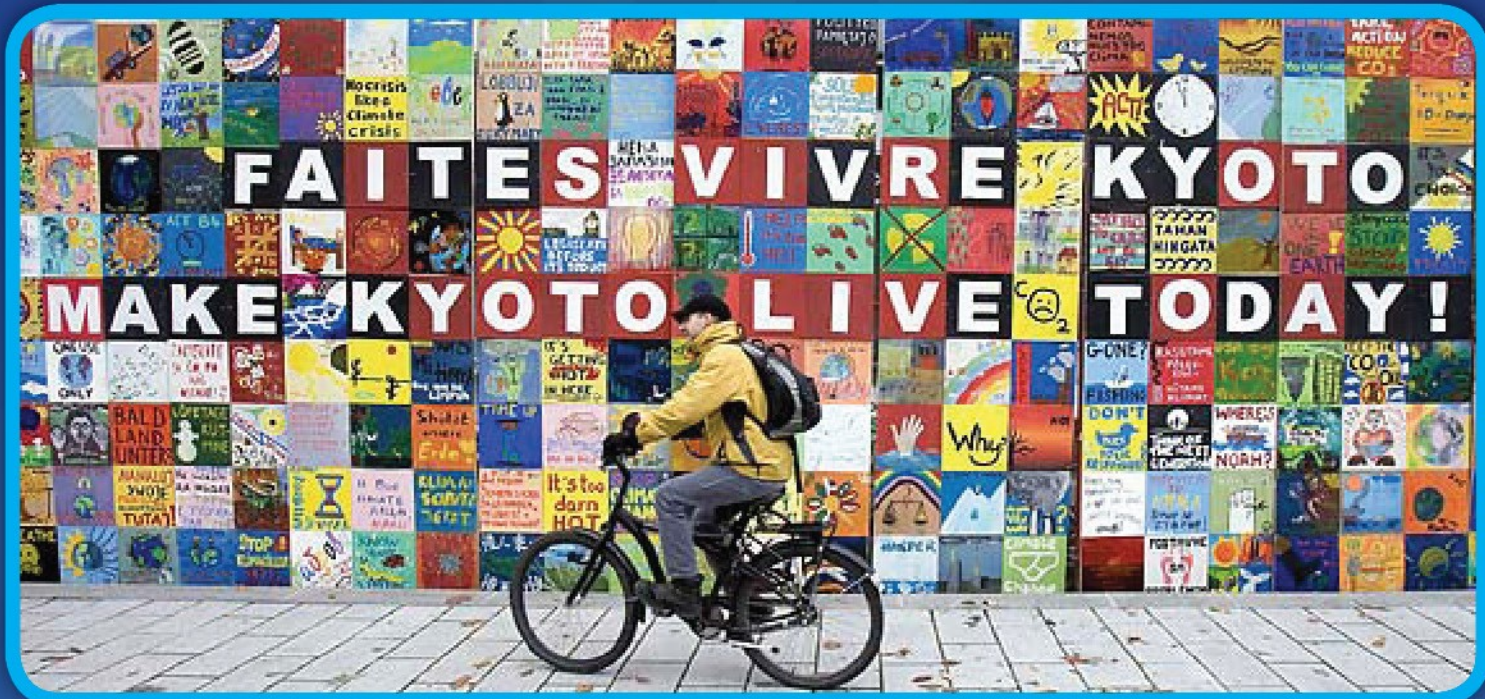

COP15
COPENHAGEN
UN CLIMATE CHANGE CONFERENCE 2009

brought to you by the International Group

COP 12 Montreal, Canada 2005

Each year there is a two-week **Conference of the Parties (COP)** to discuss the terms of the Kyoto Treaty

10,000

participants come together

from governments, corporations,
media, civil society, and NGOs

COP15

World leaders will
gather to create a **new
climate treaty** at the
end of the year in
Copenhagen.

this all began 20 years ago

Intergovernmental Panel on Climate Change

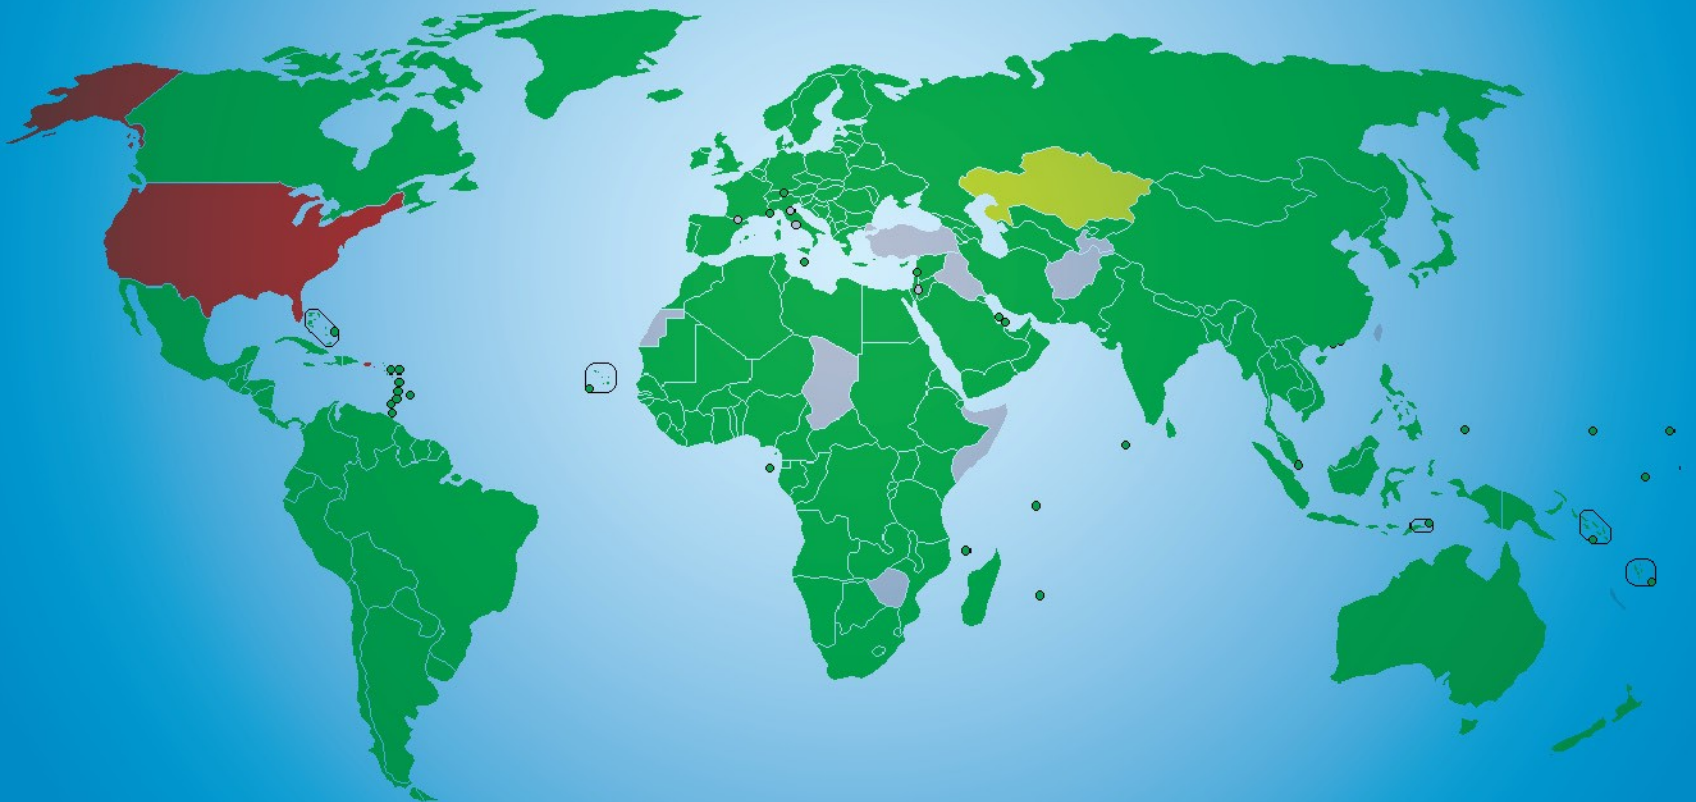

1988:

The IPCC was created to “provide the decision-makers and others interested in climate change with an objective source of information about climate change”

KYOTO PROTOCOL 1997

- Ratified Treaty
- Didn't Ratify
- Signed, Ratification Pending
- No Position

WHAT IS THE BASIC CONTENT OF THE AGREEMENT?

- **ADAPTATION** TO CLIMATE CHANGE
- **MITIGATION** OF EMISSIONS (THROUGH CARBON TRADING)
- **TECHNOLOGY** TRANSFER
- THE JUSTICE QUESTION IS**WHO PAYS?**

Why is this not good enough

BEST DEAL ON THE
TABLE DOESN'T EVEN
MATCH THE SCIENCE

= **50% chance of 2°C
warming**

UNJUST

THERE IS A NEED TO
CHANGE THE "SYSYEM"
NOT THE CLIMATE

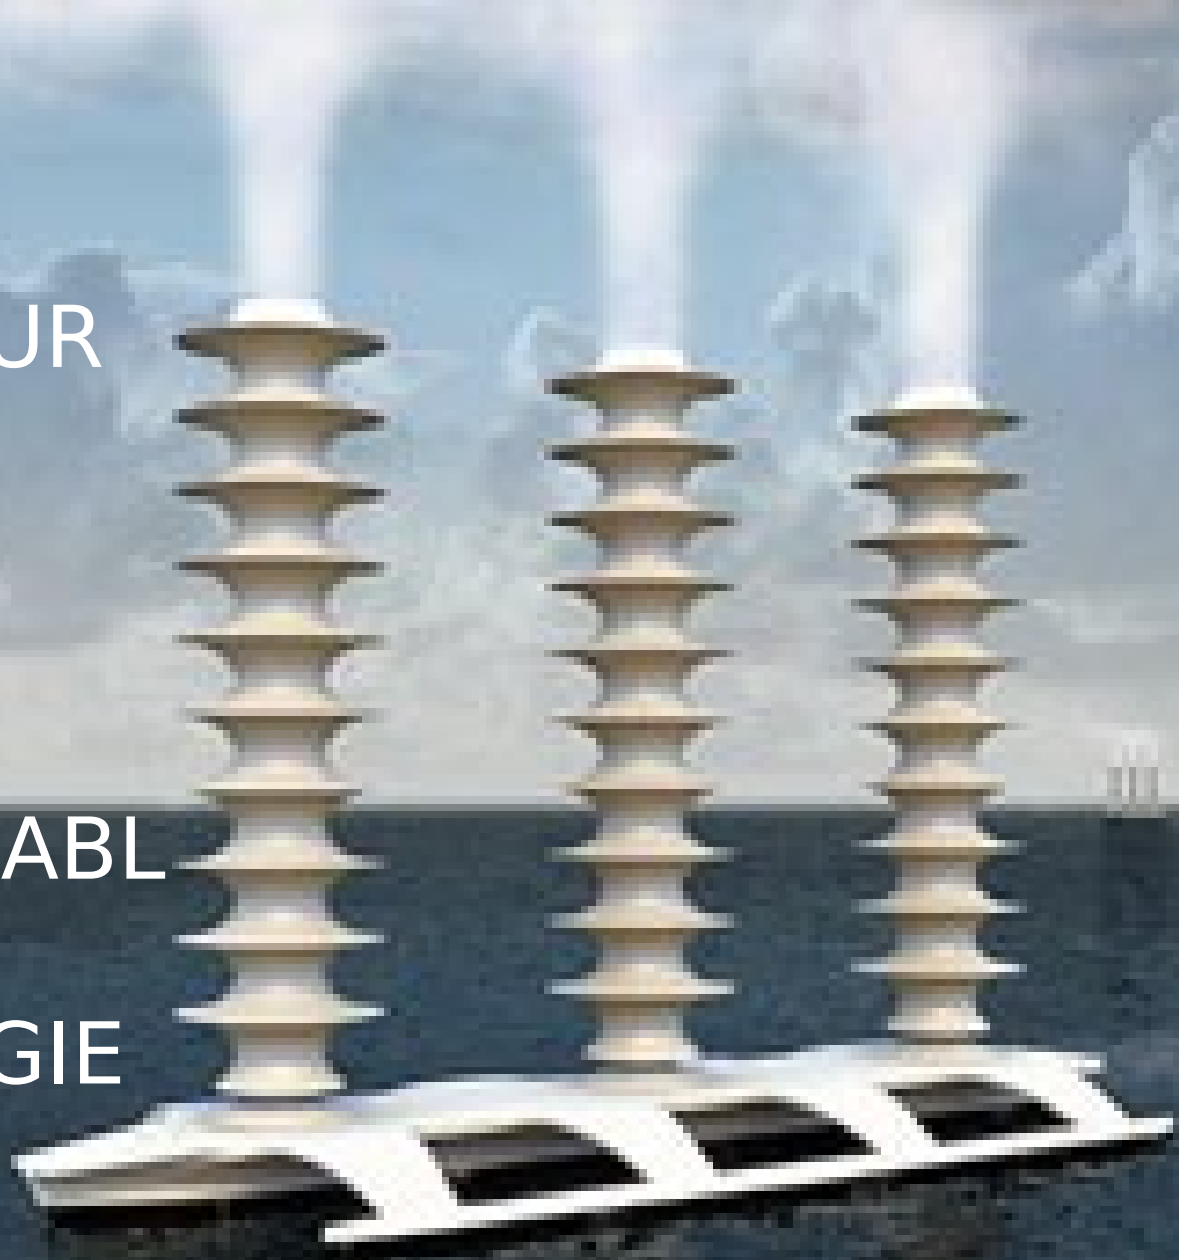

We cannot trust the market with our future....

**IT IS IMPOSSIBLE
TO HAVE INFINITE
GROWTH ON A
FINITE PLANET**

NOR PUT OUR
FAITH IN
UNSAFE,
UNPROVEN
AND
UNSUSTAINABLE
TECHNOLOGIES

Many are concerned about
the prospects for a treaty
that is
fair and just:

- CARBON TRADING
- INDIGENOUS REPRESENTATION
- PROCESS: KYOTO HASN'T REDUCED EMISSIONS AND TALKS HAVEN'T PROGRESSED IN 15 YEARS
- CORPORATE PRESENCE AND AGENDA
- FINANCING FROM DEVELOPED TO DEVELOPING

INSTEAD OF TRYING TO FIX A
DESTRUCTIVE SYSTEM...

- leave fossil fuels in the ground;
- reassert peoples' and community control over resources
- relocalise food production;
- reduce overconsumption, particularly in the North;
- recognising the ecological and climate debt owed to the peoples of the South and making reparations
- respecting indigenous and forest peoples' rights.

WHAT DO WE WANT
ON THE AGENDA?

iYa basta!

Time to take action...

- A global movement has arisen proclaiming **another world is possible**
- Now, our diverse struggles for social and ecological justice are finding common ground—indigenous peoples and farmers, workers and environmentalists, feminists and anticapitalists.
- In Copenhagen we will come together in a struggle for climate justice, and to **reclaim power** over our own future.
